

CSG Development in Southwest Sydney: what you need to know

At the request of the Scenic Hills Association, the EDO will hold a free community workshop to explain how the exploration and extraction of coal seam gas (CSG) is regulated in NSW, with a focus on landholder rights and advocacy strategies. The workshop will address current CSG titles that apply in the region.

When: Thursday 26 April 2012, 6-8pm

Where: HJ Daley Central Library, 1 Hurley Street Campbelltown

RSVP is essential. For more information or to RSVP, please contact the EDO on (02) 9262 6989 or email education@edo.org.au

The EDO is an independent, non profit community legal centre specialising in public interest envi-
